Our Skyway Restaurant is the perfect venue. Seating up to 180 people, its revolving floor ensures that every guest experiences one of the world's most spectacular views whilst enjoying superb food and drinks.

If the bride and groom want to make a spectacular entrance what better way than travelling across the valley on your private Skyway journey to greet your guests for the first time as husband and wife.

You may also choose to have your wedding ceremony in the valley. Our Rainforest Room a unique place surrounded by the beautiful temperate rainforest. You reach the Rainforest Room after a pleasant walk accompanied by the calls of native birds including – if you are lucky – the Superb Lyrebird.

On your return Champagne, drinks and canapés will be served on the terrace where your guests can watch the colours change on the cliffs as the sun begins to set.
