

FOR IMMEDIATE RELEASE: 26 December 2015

End the year on a high note

End 2015 on a high note suspended above the Jamison Valley on the Scenic Skyway or with a thrilling, hands-in-the-air ride on the world's steepest passenger train, the Scenic Railway.

Scenic World has tickets available for the last rides of 2015 – the perfect way to send out the old and bring in the New Year.

Scenic World's Joint Managing Director, David Hammon, said if you're looking for last minute adventure or something truly memorable to do on New Year's Eve, you can't go past riding the world's steepest railway.

"Taking a ride over the edge of the escarpment on the Scenic Railway or sailing 270 metres above the Jamison Valley will have you saying '*how's the serenity*' while you marvel at the beautiful Katoomba Falls and iconic Three Sisters," David said.

"Tickets for the last rides of 2016 are available on line now and include all of Scenic World's attractions including the Skyway, the Railway, the Scenic Cableway and the Scenic Walkway which is the longest elevated boardwalk in Australia.

"The boardwalk is also the perfect way to escape the summer heat as it weaves its way through the cool Jurassic rainforest," David said.

Visit Scenic World's website for details and buy your e-tickets online now.
