Cram in more fun this school holidays – Scenic World open late

For a limited time days are longer at Scenic World this summer holidays with the world-class destination open late meaning more time for fun and adventure.

Visitors young and old can experience endless starry skies with family and friends at Scenic World in the Blue Mountains, just 90 minutes from Sydney.

Catering for everyone, Scenic World's Joint Managing Director, Anthea Hammon, said as well being open later, there would be entertainment during the day between Boxing Day, 26 December and 3 January 2016.

"Scenic World in the school holidays is a lot of fun," Anthea said. "We're open every day, including Christmas Day, and we all sorts of entertainment from Australian bird and reptile displays to wandering performers, and our forecourt turns into a grassed backyard, complete with deck chairs and a pop-up café and ice cream shop."

"With our extended hours visitors can enjoy all the rides but like never before, and then enjoy the view as twilight falls over the iconic Three Sisters, Katoomba Falls and the Jamison Valley."

From an exhilarating ride on the world's steepest railway, to exploring the mystery of a Jurassic rainforest and discovering how high the Skyway sails above the valley floor, Anthea said Scenic World genuinely tries to make the experience special and one that delivers real value for money.

"Scenic World has one of the most generous Unlimited Access Family Passes around allowing entry for two adults and five children, and on the evenings when we're open later, children can eat free after 5pm at EATS270 with every paying adult," she said.

"We also offer Early Bird Entry during the school holidays with a Family Pass from \$77.00, and there's the convenience of booking tickets online allowing you to plan your day in the Blue Mountains."
