Scenic Summer Fun

Visiting Scenic World is a joy at any time of year, but in Summer this place really shines.

The days are warm but the nights are cool. It's hot in the sun but perfect in the shade. In short, it's the ideal place to leave the crowds behind and immerse yourself in nature.

Whether it's relaxing in the cool, quiet rainforest, enjoying the thrill of riding on the world's steepest passenger train or gliding between the clifftops on the famous Skyway, Scenic World has something for everyone.

Scenic World's Managing Director, Anthea Hammon, says that Summer at Scenic World is always a lot of fun. "We're open every day, including Christmas Day, and offer a range of entertainment from an Australian bird and reptile display to live music. We also turn our forecourt into a grassed backyard, complete with deck chairs, a pop-up café and an ice cream shop."

The long summer days are also the perfect time to take advantage of Scenic World's extended opening hours. "Visitors can experience all of our rides but like never before", says Anthea. "Watching the Three Sisters glow in the last light of the day as the sun sets on the Jamison Valley is a truly beautiful experience."

Back by popular demand these holidays is the Early Bird Special deal. Arrive between 9am and 10am and pay just \$88 for the Family Unlimited Discovery Pass, that's a saving of \$11. This allows 2 adults and up to 5 kids to travel on all of the rides as many times as they like, all day long!

Summer fun at Scenic World is for a limited time only. To book tickets, check out the Early Bird Special deal or view the extended Summer opening hours and entertainment go to www.scenicworld.com.au
